

Managing Successful Programmes (MSP®) Practitioner Online

MSP Practitioner digital course contains all of the training and materials you need to attain the Practitioner qualification in MSP – without attending a classroom! The course combines interactive multimedia training, practical exercises, mock exam simulators and paper based exercises. This course will provide you with the knowledge and understanding of the scope, content and structure of the MSP method required to fully prepare you for the MSP Practitioner examination.

BENEFITS

- ✓ Upon completion of the course, you will be a more effective member of a programme team, understanding how your role fits into the wider picture, and how you can help contribute more effectively to the realisation of strategically aligned benefits.
- ✓ By helping to correctly manage a programme your organisation can reduce the level of risk involved and protect your investment in change. The MSP guidance provides you with the framework to effectively manage transformational change, ensuring it's governance themes and processes are applied appropriately to suit your organisation's circumstances.
- ✓ The MSP Foundation digital course is fully accredited and prepares you for the Managing Successful Programmes (MSP) Foundation examination.

DURATION/PDUs

- ✓ Approximately 15 hours
- ✓ 18 PMP PDUs

EXAMINATION FORMAT

- ✓ Objective testing
- ✓ 8 questions – 10 marks per question
- ✓ 50% required to pass
- ✓ 150 minute duration
- ✓ Open book (only the MSP Guide – hardcopy)
